VOLUNTEER RECRUITMENT REQUEST (VRR)

Board of Directors and Committees

Introduction

Running the theatre requires many tasks, from short term day-to-day activities, to annual and periodic event planning. Consistent volunteer commitments made by our members helps us stabilize and ensure the success of our theatre. We welcome volunteers from all walks of life (in most cases operating a theatre is not in their background).

What's Involved?

As members of the board or committees, volunteers make a concerted effort to attend meetings and participate in discussions to meet the theatre's needs. Most meetings are scheduled once a month, unless deemed necessary to address certain priorities. To encourage full volunteer participation, we try to schedule meetings that fit people's schedules.
